won or a, man on the open of So and A. Don-nidsen, second price, So.

"Runaing, highleap" was worely J. Man-on, legglative feet, fine arres, So. or becomed prize by Mey, Donaldson, SS.

The Lurdle race, 200 yards. with burdley J. feet, sax inches high was the by J. Manion, first prize of So and H. Puring, amond origin.

first prize of \$5, and H. Ppring, second prize.

prize, \$45, height 5 feet, 2 inches and second prize, \$3, by J. Manion.

The half-mile race created great excitement as there were about a dozen competitors. The first prize S5, was won by W. Sprague and the

second prize \$8, by J. Manien.

This closed up part first of the day's games.

The second part opened with the young helios tace and was the most exciting of all. The first prize, a splendid parasol present-ed by Kerron & Macbelli was won by Mess Mand Anderson, and the second prime an eligant fan presented by John Cran & Co. was won by Miss Clars Fingers.

"Pole vanting" came next and was win by J. Marion; first prize, 315 and A. Donsidon second prize of \$3. This lasted an hour and

J. Marion; first prize, Sil5, and A. Donaldson second prize of \$3. This lasted an hour and a half and was very crelting. The distance of the winner was 9 foet 8 inches.

Hop stop and loop came next and the first prize, \$5, was won by J. Manion who made 87 feet, The accord \$3, by A. Donaldstin.

Tossing the Cober, is a very trying game, which consists of extrying a long pote as large as the butt of a good sized free about thirteen feet long and ten inches in diameter at one end and four inches at the other. The contestant carries it perpendicularly by the small end and throws it so that the large and strikes the ground and turns over with the small end from the thrower and they weight of the stack campat be much less than 500 pounds and the feal requires a giant's strength. The first prize \$5, was won by A. B. McInnis. Length of toss \$3 feet to inches. The second prize of \$3 was won by W. Muirhead.

The sack race, a distance of 100 yards, was won by F. Elder and the second prize was a like between F. Ried and H. Epting.

The first prize was won by H. Epting and J. Manson.

The first prize was won by H. Epting and J. Manson.

The first prize was won by H. Epting and J. Manson.

son and F. Elder. The second by n. Lpoing and J. Manlon.

The first prize for the best dressed man in Highland contains being a fine black hawthorn cane presented; by Andrew Reberts was awarded to Joe Doualdson.

The best Horizontal Bar performer was found to be H. Epting who received a handsome silver medal.

The one mile walking match closed the games, and was one by W. Spragma of East Fortland. He received a handleine silver medal.

medial.

Another prize silver medal was awarded to J. Manion for having excelled in the general competition, he his may made this teen points in the rames, which the next bighest was nine. The Judges chosen to make the awards were Alexander Mutchead, P. Johnson and

were Alexander Muirhead, P. Johnson and John Gornegie.

The result of the day's exercises and the sphoudid manner in which the day's programme was carried out has made many friends for the Portland Calculonian club, and the result has been a large number of applications for membership.

We must not omit to add that the lady friends of the circle point up a sphemial lunchfor the judges and their friends. The whole party were back to the circly by eight o'clock and no secondent occurred to mar the enjoyment of the day.

The day was passed very quietly at Oregon City a large number of excursionists having attended the exercises at Vancouver. About 7 s. M. nearly, two hundred people left this place on the steamer Lurine and went to raly upon honest and acceptable goods. Vancouver. A large number of the members of Meade I pat, G. A. R., accompanied this excursion, This usually staid and quiet town was more slaid than ever save when the multi-findiscons small between the signaturation by shooting of five-reachers or inniting bounds. Accord trick was played by some of the young members upon George' and old Silvash who belongs to the Clackamae tribe. One of the bots and left the stom banging out through one of the cravices in the box. Some of the bots induced the old Indian to six upon the bots and left the stom banging out through one of the cravices in the box. Some of the bots and left the stom banging out through one of the envices in the box. Some of the bots and left the stom banging out through one of the envices in the box. Some of the bots in the stom banging out through one of the mischief-makers, set fire to the stom.

An explosion followed and dhebox, was blown in the star about six feets and George went up too. The bottom was blown out and the burys say that George will not be able to six down for a month.

UNFORTUNATE. DR. GIBBON'S DISPENSARY, 623 KRAHNY ST.

On the 22d June the senate passed by a vete 13 the bill to enable the national hanks to continue their corporate existence. The vote was in no sense a party one. Nearly all the opposition. however, came from demo cratic senators, some half dozen of whom apon thy thought it necessary to oppose the parently industrial banking system because Gen-Jackson had opposed the original national bank. Among the amendments offered was one by Vest of Misonri, directing the secretary of the treasury to issue treasury notes or greenbacks exchange for national bank currency. This law is so often administered for the protecas been a favorite measure with the tion of rascals, this is not surprising. But nachs of national finance. But it got only a 'the fact will remain, even after the cases are ew votes in the senate. It is clear that there

But there are yet some echoes of the clamor nent's promises, without any definite obliga- in a way that will amount to something. tion to pay, or any security of conversion demand. Such objections as have beer used against the astional bank system have storing mainly from a desire to remove a great obstacle to this wild-out scheme. The fact that it provides for all the states a unidown hank surrous, which circulates the property of the former alone should any honor be allotsition to the national banks is expressed abies the former alone should any honor be allotity in vague despite the second of the control of the cont
